

## **I Am the Cure Supervisor** Job Description

### **Volunteer Reports To: Gail Brownmiller**

**Summary:** This program is an educational initiative designed to boost the educational outreach during the Race for the Cure®, motivating women to take an active role in their own breast health. The I Am the Cure Supervisor will be responsible for organizing and managing the program prior to its implementation on Race day. This position will supervise the I Am the Cure intern who will assist with the recruitment of volunteers and provide program support.

### **Essential Duties and Responsibilities:**

- Develop timeline for program implementation
- Assure that program materials are ordered on time
- Develop job description for I Am the Cure intern
- Supervise I Am the Cure intern
- Participate in Cure Cheerleader training
- Lead Race Day activities including Cure Cheerleaders and the I Am the Cure booth.

### **Requirements:**

- Excellent communication skills
- Leadership skills
- Attention to detail
- Interest in breast health education

### **Benefits:**

- Receive a special I AM THE CURE t-shirt.
- The knowledge that you participated with more than 1000 volunteers giving approximately 3,200 hours of time to the Race, volunteers continue to make this event one of the largest Race for the Cure® events in the country and a source of vital funds for the fight against breast cancer as a life-threatening disease.

***We can't do it without you!***
